

TOUCH DYNAMIC

Nexus (21.5")

All-in-One

This innovative and powerful Nexus All-in-One solution, can be ordered with two different solutions. We have Mediatek CPU supporting Android 13 with GMS (Google Mobile Store), or an Intel Celeron J6412 supporting all OS including Windows, Linux, and Android 13. Enjoy a seamless interactive experience with a sleek 21.5" LCD Widescreen Display with Capacitive Touch. Additionally, it offers rear display options, multiple payment integrations, and more. Plus, the Kiosk podium design provides space-saving convenience. Make the smart choice for your modern business needs. [Discover the Touch Dynamic Difference.](#)
