TREK Android by Custom Group: your journey to true functionality starts now!
Available in 15.6" and 21.5" sizes, TREK seamlessly powers any application: **POS, Self-Service, KDS, Price Checker**, and more.
Google approved and packed with power and connectivity, TREK can be transformed for any customer touchpoint. TREK 15.6" with included stand delivers performance and elegance to your checkout counter. Add the 11.6" customer facing display with **embedded NFC** and enable tapbased payments. With TREK 21.5", the possibilities are endless. Pair with Custom's Connect stand for an instant self-service station. Embedded NFC within the touch screen puts tap-based payments at your customers' fingertips. **Retail-hardened** and backed by Custom's warranty support, TREK is built to withstand the rigors of any environment.

Key Points

High Performance

Seamlessly power any application: POS, Self-Service, KDS, Price Checker, and more.

Extreme Versatility

Choose from an assortment of micro-USB-attached peripherals to instantly transform TREK for any customer touchpoint.

Google Approved

Securely and flawlessly access Google's suite of apps and services via TREK's GMScertified Android 13 operating system.

SoftPOS-Ready

Put the ease and security of tap-based payments within reach with TREK's embedded NFC reader.

Rich Connectivity

Easily connect all your POS peripherals and accessories.

Elegantly Functional

Simplify your installations while never comprising on style.

TREK - Android POS Terminal
