

15 Inch Resistive Touch Value Series Monitor

V15DX-OB-459G

VALUE SERIES

Gvision's V15DX is a 15" touch screen display designed specifically for use in rugged and harsh point-of-sale (POS) environments. The V15DX has an adjustable base that can be tilted from 0 to 80° and features smart cable management ensuring your unsightly cables and connectors are hidden from your customers. It is the ideal solution for demanding applications that requires a stable monitor and resilient touch screen.
