

# ZEUS

## OUTDOOR ALL-IN-ONE TOUCHSCREEN COMPUTER

ID TECH's Zeus is an outdoor all-in-one touchscreen computer with a 2.16 GHz Intel Celeron Processor N2807, 2GB of RAM, and a 64GB solid state drive. The 1920x1080 resolution touchscreen uses infrared technology to support operation by virtually any type of physical touch, whether it is a finger, a stylus, or even a gloved hand, and the built-in webcam offers additional opportunities for customer interaction. With an array of different connectivity options such as Dual-Band WiFi, LAN, USB, RS232, and Bluetooth, the Zeus Digital Display is the ideal solution for a variety of applications.
