I3200 specifications

SCANNING

Light source:	650 nm LED Lighting
Scanning Depth:	0 - 60 mm (Code 39.5 mil), 0-200 mm (QR Code, 15 mil)
Scan Rate:	2500 scans per second
Color:	Product color: Black and Graphite
	Communication cable color: Black
Minimum bar with:	0.13 mm (PCS = 90%)
Minimum contrast for scannig:	25%
Indicators (LEDs):	Two LED Colors (Green and Red)
Beeper operation:	Tone Programming

MECHANICAL

Height:	140 mm
Depth:	82 mm
Width:	152 mm
Weight:	530g (with box and cable)
Cable:	2 meters

POWER

Voltage:	5V DC ± 5%
Power consumption:	2W
Operating current:	400 mA
Standby current	90 mA

ENVIRONMENTAL

Operating temperature:	0°C to -50°C (32°F to 104°F)
Storage temperature:	-40°C to 70°C (-40°F to 158°F)
Moisture:	5% ~ 95% RH not-condensed
