

NEW Product Announcement: VT21-KUS Sit-Stand Workstation

The KUS's mouse tray slides out to the left or the right.

The second and third images above of the VT21-KUS Workstation show the full up-and-down range of the unit.

Industry-leading 21" of smooth vertical movement for true sit-stand workstation

Range of Motion Video

The ever-expanding line of one of ICWUSA.com's top-selling mounts continues with the release of the **NEW VT21-KUS Workstation**.

This new variation of the VT21 features one of our most popular and versatile keyboard trays, the Keyboard Ultra Slide (KUS), which provides a worksurface tray, keyboard tray and mouse tray in one compact, streamlined unit. The KUS's worksurface tray can also flip up independently of the keyboard tray.

The VT21 series provides an **industry-leading 21"** of smooth vertical movement along a track and can stow as little as 6" (15.2 cm) from the wall which means this workstation can be mounted in hallways, satisfying most local fire codes.

To see the VT21-KUS Workstation in action, click [here](#) to watch the video. For more information, contact your friendly ICWUSA sales representative at 1-800-558-4435 or email sales@icwusa.com.

VT21-KUS WORKSTATION FEATURES

- **LOW PROFILE.** The VT21-KUS workstation's slim profile stows just 6" (15.2 cm) from the wall.
- **TRUE SIT-STAND.** All models provide an **industry-leading 21"** of vertical adjustment for comfort both standing and sitting.
- **EASY WEIGHT ADJUSTMENT.** Lift assist is adjustable for various monitor and keyboard weights using a hex key in the adjuster hole in the lower left end cap. The handy adjustment indicator on the left side shows the degree of lift assist being used.
- **SMOOTH HEIGHT ADJUSTMENT.** Locking Lift Assist easily raises and lowers unit. Locks securely at desired height.
- **DUAL MONITORS AVAILABLE!**
- **WEIGHT CAPACITY:** 10-25 lbs (4.5-11.3 cm). Heavy duty (20-35 lbs) also available.
- **ADJUSTABLE MONITOR** with two height settings.
- **ERGONOMIC.** The WorkSurface Tray and/or Flip-Up Keyboard Tray can both be adjusted to positive, neutral, and negative tilt for greatest ergonomic comfort.
- **HYGIENIC.** Durable, easy-to-clean finish withstands harsh chemicals. Built with smooth aircraft-grade aluminum that doesn't allow microorganisms to hide.
- **WORKSURFACE TRAY** can be used as a solid worksurface.
