SR575M

SMARTMOUNT®

Full Featured Flat Panel Cart
FOR 32" TO 75" DISPLAYS

The SR575M SmartMount® Full Featured Flat Panel Cart takes our standard cart to the next level, making everyday usage more enjoyable. Height adjustment of the display and component shelf can be made without the removal of the display by simply repositioning to your desired height and the fear of damaging doorways and walls has been averted by non-marring bumpers on each corner of the cart allowing even easier mobility from room to room while the UL® certification ensures you that it can be done with safety in mind.

Display size **32"-75"**	Max load **150lb (68.2kg)** display **10lb (4.55kg)** per shelf

The SR575M cart has been built with tool-less height adjustment, helping you find the perfect viewing height for your display.

GET IT RIGHT™

Additional Features

- ☑ 20" of tool-less height adjustment places the center of the display anywhere from 40" to 60" above the ground

- ☑ Integrated cable management protects, contains and conceals cables for a clean, professional installation

- ☑ Maneuvers easily on 4" (102mm) swivel casters, two locking

- ☑ Pre-assembled base provides rigidity, stability and quick assembly

- ☑ Textured black powder coat finish helps to hide finger prints and dust

- ☑ Open frame display adaptor helps prevent display input interference

- ☑ Shelf can be positioned anywhere along the column by simply lifting and repositioning

- ☑ Universal display adaptor fits mounting patterns from 200 x 200mm to 600 x 400mm and allows mounting in landscape or portrait orientation
